

COBALT SHWR PK

COBALT Shower Range Complete Cobalt Recessed Dual Control Shower Pack

Features:

- This shower pack has soft square handles on our Cobalt shower valve with integral two outlet diverter. It has a 200mm square fixed head with shower arm; and an adjustable riser shower kit with a single function handset.
- The shower valve has been designed to fit in any UK wall cavity and therefore only needs a 35mm deep cavity space
- Dual control - flow and temperature are controlled separately
- Cartridge can be accessed from the front, Requires rear access to service filters
- Wall outlet designed with Bristan's Wall Mounted Technology for easier installation
