## **CLEANING AND MAINTENANCE OF THIS PRODUCT**

Congratulations on buying this high-quality product. To ensure your long-term satisfaction, please adhere to following cleaning advice.

• Lift up or remove the cover and seat when cleaning, as fumes rising from cleaning and disinfecting agents can damage the plastic.

• The pore-free surface of this product already offers the best protection for optimal hygiene. Therefore it is sufficient to use mild natural household cleaner. Avoid scouring, aggressive chlorine based and acid based cleaning agents.

• Dry hinges well after cleaning.
